

# Practice Fees Guide

The following guide is an indication of the typical charges that apply to the treatments available at our practice. All treatments and charges are discussed and agreed with patients before any treatment is provided. Where the charges vary from those given below, we will explain the reasons. Please ensure that you have the means to finance your investment before you commence treatment. We have finance options available, please ask a member of the team for information.

**These Fees reflect our commitment to high quality service and materials.  
They are a reflection of our experience in advanced cosmetic and restorative dentistry.**
